BIOGRAPHY

Nhu-Hoang Tran Thang is an international arbitration lawyer registered with the Paris bar and based in Geneva focusing her practice on international disputes.

Her practice covers both investment treaty and commercial arbitration, whether ad hoc or institutional, from pre-arbitral advice and negotiation to representation in the arbitral proceedings and assistance with post-award procedures.

Having acted as counsel, arbitrator, or assistant to the arbitral tribunal in over 40 arbitrations, Nhu-Hoang boasts an extensive experience in arbitral proceedings conducted under the most frequently encountered rules (ICC, Swiss Rules, ICSID, UNCITRAL, SCC, LCIA, FAI, CRCICA and DIS).

She has resolved international disputes in various industries, with a focus on energy, commodity trading and international sales, hospitality, leisure and F&B (Food & Beverage), banking and finance as well as consultancy and other service agreements. A Swiss national with Vietnamese roots, she brings a rich, global perspective to her practice, with professional experience that extends across all continents.

Before setting up Astute Dispute Resolution, Nhu-Hoang practiced international arbitration for over a decade under the highest standards of excellence, as part of several of the most reputable arbitration teams of leading international law firms in Geneva, Paris and London, and as the sole associate to a leading arbitrator and arbitration thought leader, Prof. Pierre Tercier.

Nhu-Hoang is a law graduate from the Northwestern Pritzker School of Law, Universities Paris I Panthéon-Sorbonne, Paris II Panthéon-Assas, and Paris X-Nanterre. She also completed a Master in International Relations from the Graduate Institute of International and Development Studies in Geneva.

Nhu-Hoang is an active member of the international arbitration community. She holds executive mandates with several leading arbitral associations and institutions, and regularly publishes and speaks on international arbitration topics at leading specialist conferences. She is equally committed to mentoring arbitration students and younger colleagues.

Nhu-Hoang is recognized as an "Arbitration Future Leader" and an "Arbitration Thought Leader Under 45" by the Lexology Arbitration Index (formerly Who's Who Legal), and was elected the "Client's Choice" for Arbitration and ADR in Switzerland by Lexology in 2024 and 2025.
